

Friday 11th January 2019

Dear Parent

Happy new year. The enthusiasm of the children has brightened up a rather grey January return to school. It has been straight back to work but there are already lots of events this term to look forward to.

Dates for the term

Dates for the term will be available via the website from the beginning of next week. Please take note, especially of class assembly and parents' evening dates.

PE Kits

Please can all pupils remember that they should have a PE kit in school. In KS2 it is recommended that this includes trainers and, if pupils would like, tracksuit bottoms for outdoor use.

House Treats

Green house had their treat today, with Red House following next Friday, for winning the house cup last term. The rewards are decided by house captains and it is hopefully an incentive to all of KS2 to earn as many points as possible through hard work and positive behaviour.

NSPCC

We welcomed volunteers to school today who provided assemblies and workshops on 'Speak Out, Stay Safe'. We have held these in school previously and hope that our current pupils will find them as useful as our previous cohorts.

Primary Admissions Deadline

Please note that the application process for new EYFS pupils for 2019/20 closes on Tuesday.
