Friday 28<sup>th</sup> June 2019

Dear Parent,

There has been a wonderful 'buzz' around school this week as we have run our first 'Well Being' week. Hopefully the pupils and staff have topped up their 'wells' and have thought of ways where they can improve their mental health and happiness in the future.

## Well Being Week

As stated above, the week has gone really well and hopefully the pupils can identify their favourite bits of the last five days. We hope to continue to develop the five 'wells' which promote happiness and you can support this at home. The wells are:

- Connecting with others
- Be active
- Take notice
- Keep Learning
- Give

There is also further detail on the Lancashire Mind webpage <http://www.lancashiremind.org.uk/mental-wellbeing/>

## Staff Reshuffle

Next year, we are delighted that Mrs Torbett will be returning to a full time post. It is wonderful to have such an experienced teacher in the building for an increased amount of time. Mrs Torbett will be taking the Year 6 class from September, expanding on the work that she has done in supporting our Year 6 classes over the last two years.

This means that Mrs Heaton will not be class teacher in Year 6 next year. Fear not, she will continue as our deputy headteacher in a slightly adapted role.

We are very fortunate to have such a stable teaching staff and be able to make these adaptations from within our own teaching staff team.

## Football Kit

We are still looking to purchase a new football kit for the school team. If you know of anybody who would be interested in sponsoring the kit, please encourage them to contact school.

## Borwick

By the time you read this letter, those pupils attending the Borwick trip this year will have arrived and be enjoying their first activities on site. We hope they have a wonderful weekend and are grateful for the staff who give up their weekend to support such a worthwhile trip.
