Friday 31<sup>st</sup> January 2020

Dear Parent,

Around school this week, staff have continued to make preparations for the upcoming STEM week. We are really looking forward to it!

## SATs Meeting

Thank you to all the parents who took the time to attend the meeting this week. It really is important that both home and school work together to support your child's education as much as possible, in all year groups but particularly in Year 6.

## Sponsored Maths Facts

Hopefully, your child will be busy learning their facts and gathering some sponsorship. All funds will go into recouping some of the costs for STEM week.

## Emergency Plan

Your children may have told you that an animal escaped from the zoo today - do not worry, it did not! We did, however, pretend that might have happened so that we could practise our emergency plan in the event that we ever need the pupils to return quickly and calmly to their classrooms. This is obviously a highly unlikely event, but all schools are required to have procedures in place so we played a game to see which class managed to do this the best today.

## Clubs

Attendance at clubs was much improved this week. Thank you to the pupils for improving their organisation and the parents for their support.

## Parents' Evenings

You will have received slips today for parents' evenings, which are a really important opportunity for you to hear about your child's progress and discuss ways to support them further. Please complete with as many times as you are able to attend. Mrs Simpkins and Mrs Torbett will have parents' evening the week beginning 10<sup>th</sup> February and everyone else the week beginning 24<sup>th</sup> February (after half term).

## Borwick (Year 6)

The second instalment is due by Monday 3<sup>rd</sup> February. If you haven't done so already, please log onto your ParentPay account and make a payment.

Yours faithfully,

Mr A Wright (Headteacher)

## **Key events next week**

**Monday** Y5 girls' talk, Handball Y1+2, EYFS Library

**Tuesday** Badminton Y5+6, KS1 Change 4 Life, Brass, Guitar KS2, Coding Y3+4, Clogging Y6, CV Netball

Stars of the Week	
Mrs Swift	Robbie Hindle for showing good comprehension skills.
Mrs Dunwell	Avianna Karia for trying so hard with her writing this week.
Mr Gilyead	Leo Gordon for great work with Bee Bot.
Mrs Simpkins	Coby Bates for having a go at his own spelling by using syllables.
Mrs Dunne	Eva Billsborough for Super work in gymnastics this week.
Mr Kellett	William Welham for some great gymnastics this week.
Miss Thomas	Courtney Baron for some brilliant ideas during our Literacy discussions.
Mrs Torbett	Archie Brindle for writing a great rainforest animal factfile.
Winning House: Blue	
Silver Leaf:	
<b>Respect for school and the environment</b> - Blake Holland for cleaning up a water spillage around the sinks and driers.	
<b>Respect for others</b> - Kiera Prescott, Jake Matthews, Bethany Belfield and Luca Kirkby for asking a classmate to play when they were feeling upset.
