

Home Learning Pack

Mrs Swift

Week beginning 11th May 2020

Weekly Maths Tasks

- Follow Week 3 Summer of [White Rose Maths](#) Learning Early Years.
- Click on [Maths instructions](#) for some help.

There is a lesson for every day.

Check your *Class Dojo* for some extra instructions.

Here is the link to the story [The Very Hungry Caterpillar](#)

Weekly English Tasks

Writing

- Click on the link to access this week's [English activities](#).

There are activities for every day and you can revisit the texts following the link below.

[English Instructions](#)

There is a lesson for every day. Check your *Class Dojo* for some extra instructions.

Here is the link to the story [Mad About Minibeasts](#)

[BBC Bitesize ordering numbers](#)

[Instructions for using BBC Bitesize](#)

I have left the above activity on from last week in case you need some more practice.

[Minimash maths games instructions](#)

Reading

- You can log on to [Bug Club/Oxford Owl](#) for free during the closure period and read a book.
- Keep a record of the books you have read.
- Draw a picture of something that has happened in your favourite book.
- You could let everyone know if it's a good one to read using Class Dojo.
- Practise your initial sounds with [Letterland Megamix](#)
- Log on and practise your phase 2 tricky words and sounds
- When you are confident you can also move on to practise phase 3 tricky words and sounds

[Espresso](#) Log in: student18838

Learning Project – Superheroes

You have been selected for **SUPER HERO TRAINING!!** Please report to the super-secret training location. (Your living room or garden)

Welcome to the crime-fighting superhero training facility where everyone will become a superhero.

You need to use your skill, strength and listening powers to complete all of the superhero challenges to successfully become a member of the new superhero fighting force.

Parents Set up an obstacle course using anything you can find to create a challenging course. Explain the task is to complete the course as an individual and then rescue the citizen (teddy or doll) and bring them back to safety.

Suggested challenges may include: ball throwing, long jump, balancing, walking, climbing, crawling through a tube, running, bouncing a super ball very high, jumping off an object with appropriate adult supervision, etc. When your child completes the course, you could have a prize ready or a certificate saying that they have successfully completed Superhero training. I will put a printable certificate on our class story on Dojo.

Weekly Challenge – Science (Mrs McKenna)

Going on a walk / Garden Activities

You could:

Count how many birds you see in a 15 minute slot - can you identify the birds too? Google [UK garden birds](#) to help.

Find as many insects as you can - can you identify them? Google [UK garden insects](#).

Take photos of your favourite plants / flowers. Frame and label them.

List all the plants and flowers in your garden. Don't forget to upload to Class Dojo!

Further Support

Remember to keep using Class Dojo for more details and explanations from teachers, as well as ways of keeping in touch with all members of staff. **We want to see anything that you have done at home, so send videos, photos, drawings or messages to let us know!**

The School Story that parents can access will also continue to contain extra ideas that you may wish to try – get them to have a good look.

Mr Wright has sent you some pages of frequently asked questions about the Dojo system. If you have any technical problems, please email school: homelearning@mosside.lancs.sch.uk

@mossideprimary on Twitter will continue to send out a variety of links to other useful resources and ways to spend time during the closure.
