Mrs Torbett's Class Year 6

Week beginning 29th June 2020

Weekly Maths Tasks

- Follow Summer Term Week 9 (W/c 22nd June) from [White Rose Maths](#). There is a lesson for every day.
**We're skipping a few weeks as there was a few repeated lessons.*
** White Rose require a subscription for all worksheets from this week. Worksheets can be downloaded from the school website by clicking on 'Mrs Torbett Maths'.*
- Make sure you continue to consolidate all times table facts (up to 12x12). Keep using [TT Rockstars](#) or [Hit the Button](#) Focus on tables that you find tricky or use to consolidate all times tables.

Weekly English Tasks

- Follow Week 8 of [Lancashire Planning](#)
- There is a lesson for every day. I will send you a video on dojo each morning giving a little bit more information about the day's task-
Check your Class Dojo for some extra instructions.
- Follow our class novel on Class Dojo.
- Read a book of your own and message to let me know what you are reading. If you are running out of books, you could ask somebody to sign you up to [Lancashire Libraries](#) to download free ebooks to read or listen to free audiobooks.
- Keep your diary going – it will be fascinating to share them when we come to school. You could send me a picture of a few pages in our Class Dojo.

Learning Project – Transition Activities- Go Big, Be Awesome

Have a look at [Go Big Be Awesome Parent Pack with your family.](#)

We are using the Go Big, Be Awesome transition activities within school. These have been designed to help children focus on the change from Primary to Secondary (with specific ideas linked to this year's unusual circumstances).

You may find this parent section of the website useful for helping to prepare for the transition.

Weekly Challenge – P.E Mr Wright

This week's challenge is to get fit and active. Over the past few weeks, the Twitter account and website has had links to the School Games 'Stay at Home' Challenges but this week I want to make sure that everybody has a go at something sporty. You could use the most recent week's challenge (there is a new one every week) or you could pick an old week that takes your fancy. Whatever you do, send photos, videos or blogs on your Dojo as I would love to see them. There are no EYFS resources (but I think you could all have a go at Year 1 because you are so sporty). Follow the links for [Infants](#) or [Juniors](#).

If you just fancy one, simple challenge without any resources, why not try running a marathon for the week (Ok, maybe not a full one). Measure out a space (garden, hallway, path etc) to run in and count how many laps you do each day. At the end of the week, multiply how many laps you have done by the length of the lap and let's see who has run the furthest.

Whatever you do, keep yourself fit and healthy. Mr Wright

Further Support

Remember to keep using Class Dojo for more details and explanations from teachers, as well as ways of keeping in touch with all members of staff. **We want to see anything that you have done at home, so send videos, photos, drawings or messages to let us know!**

The School Story that parents can access will also continue to contain extra ideas that you may wish to try – get them to have a good look.

@mossideprimary on Twitter will continue to send out a variety of links to other useful resources and ways to spend time during the closure.
