

# Home Learning Pack

## Mrs Dunwell (6)

Week beginning 15<sup>th</sup> June 2020

### Weekly Maths Tasks

#### Maths

Follow Summer Term week 4 (w/c 11<sup>th</sup> May) of [White Rose Learning Year 1](#). There is a lesson for every day.  
[Instructions](#)

Y1-Week-4-Worksheets.zip

### Weekly English Tasks

#### Writing

- Here are this week's [English Activities](#). There are activities for every day and you can revisit the text following the link. Further [instructions](#) can be found on Dojo.  
*Keep checking those capital letters and full stops!*

#### Daily Practice of Number Work

- Practise reading, writing and ordering numbers up to 100. You could use this [Chinese Dragon](#) game to help.
- Can you still tell the time? Use some of the [Espresso](#) 'time' activities this week to check.

#### Reading

- Your child can log on to [Bug Club/Oxford Owl](#) for free during the closure period and read a book.
- Keep a record of the books you have read.
- Choose one of your favourite illustrations from any of the books you have read this week and describe what is happening. Tell me what you like in this picture and why you like it .

#### Spelling

- This week I would like you to continue to work on our phonic sounds. Make sure you watch the videos before completing the activities. (Choose the activity for your phonic group). Check that you can read and spell the tricky words for your group this week  
Mrs Creeney's : Kim's Phonics words ending cc (1)

Tricky words: **said, have, like, so**

Mrs Coulson's : Ash's Phonics 'a-e'

Tricky words: **said, have, like, so**

Mrs Dunwell's: Ash's Phonics 'ir'

Tricky words: **oh, Mrs, people, Mr**

[Espresso](#) Log in: student18838 moss2014

### Learning Project – Under and Over the Ocean

I hope you have enjoyed our Pirate activities. This will be our last Pirate week so I thought you could have a go at one or two of these ideas, remember to send me some pictures.

- Make your own treasure chest like this, use an egg box then find some of the things you treasure to put in it.

- Write about your treasures then draw and label them. Look on Dojo's for a worksheet to help.
- Dress up as a Pirate and take some Photographs. Can you walk the plank?
- Watch the video [talk like a Pirate](#) and see if you can have your own 'Talk like a Pirate day'
- Make a healthy Pirate snack to prevent scurvy such as [Fruit kebabs](#).

## Weekly Challenge – Information Technology All Around Us

Information Technology, or IT for short, is all around us.

IT can be seen as computers, devices with computers inside or things that are made to work with computers.

For this week's challenge I'd like you to:

1. Find IT in your homes and then think about where IT might be outside the home, in shops, school, libraries, hospitals or even around the streets of Leyland. This resource from [Twinkl](#) might give a few ideas.
2. Think about one IT device you use regularly. How does it help to make your life better? What would it be like without it?

## Further Support

Remember to keep using Class Dojo for more details and explanations from teachers, as well as ways of keeping in touch with all members of staff. **We want to see anything that you have done at home, so send videos, photos, drawings or messages to let us know!**

The School Story that parents can access will also continue to contain extra ideas that you may wish to try – get them to have a good look.

@mossideprimary on Twitter will continue to send out a variety of links to other useful resources and ways to spend time during the closure.
