Headteacher: Mr A Wright

Dear Parent/ Guardian,

The Local Authority has advised that the 'Five Tests' have been met locally and we are now in a position to move forwards with the re-introduction to school of some pupils, as has been outlined in the various letters, support documents and risk assessments over the last few weeks.

As you will be aware, this means that we are now working towards Year 6 returning the week beginning June 22nd, alongside those Reception pupils whose parents indicated that they would like their children to return during the last survey. Should all go well, further Reception pupils (should they wish) and Year 1 pupils will hopefully be able to return in future weeks and parents will be re-surveyed at this point. All Year 6 parents will be contacted separately with further information.

This will continue to follow the 'Bubble' model and pupils will attend for 2 or 3 days a week (the dates for the first few weeks will be announced once parents have confirmed if their child is returning). School will only be open for Key Group pupils on Friday 26th June so that staff can review the first week, deep clean and (hopefully) prepare for Year 1 from Monday 29th June.

It is important that any parents considering sending their children back to school have read all of the information that has been sent over the last few weeks (I am aware that this has been considerable). The Risk Assessment is available via the newsletter section of the website, as well as the 'Structure of re-opening' document (which will be updated to reflect the new dates this week).

I will continue to keep all parents informed of any further, ongoing changes and advances.

Stay safe,

Mr Wright
