Miss Thomas

Week beginning 22nd June 2020

Hi Year 5, I've included some different resources that you can use this week. If you try any, let me know how you get on! Take care, Miss Thomas.

Weekly Maths Tasks

- Follow the [Oak National Academy](#) Maths lessons on Transformations. You only need to complete Lesson 1 (An Introduction to Translation) up to Lesson 5 (Describe position after Translation).

You don't need to complete all of the lessons in the week and you'll just need a pencil and paper for your working out.

If you prefer worksheets, have a look at these Maths resources that you can print out or copy from your screen:

- [Third space Maths Hub Worksheets](#)
- This [booklet](#) has a range of activities for all of the curriculum. The maths activities are pages 28 – 47.

Weekly English Tasks

- Follow [Week 7](#) of Lancashire English Plans. There is a lesson for every day. *Check your Class Dojo for some extra instructions each day.*

If you prefer worksheets or would like a change, have a look at this [booklet](#) about 'Wonderful Wizards'. It has a range of different tasks: creative activities, vocabulary, reading and writing. It's quite a long booklet so I would recommend to just do one activity each day.

MATHS CHALLENGE!

Are you ready for a Boys vs Girls TTRockstar battle?

From 6am Monday morning until 3pm Friday afternoon, you can complete your Battle of the Bands challenge! Complete any TTRockstar game to contribute to the challenge. You can do as many as you like! The team with the most correct answers by the end of the week wins!

Good luck, Miss Thomas A.K.A Vaden Baldhead (why did I choose that name!).

Reading:

- Follow along with our class novel, Percy Jackson, on Class Dojo.
- Continue with your reading at home – it's so important. Any book is great! Try to read a chapter as often as you can. When you finish, create a book review. How would you rate this book?
- Those of you on Reading Plus should aim to log on and complete 5 x 30 minute sessions a week. You can do this independently and don't need an adult's help. Let's see how many of us can get on to Reading Plus this week!

Spelling:

Here is a copy of the [Year 3/4 spelling words](#). How many of these do you think you can spell?

Test yourself on some (or all!) of the words and practise the ones you aren't sure of. Chunking up the list to 10 words at a time might be useful. This will be good revision before you start Year 6 – as you'll be revisiting a range of spellings you've had in the Juniors! Think back to our work in class for your favourite method to practise spellings. E.g. rainbow letters; pyramids; look, cover, write, check; drawing a picture for the word; writing in a sentence.

Learning Project – Ancient Greece

This week your task is to research clothing during Ancient Greek times. How many of these questions can you find the answers to? You don't have to do them all!

- What would Ancient Greek women and men wear?
- What would Ancient Greeks wear on their feet?
- What was the most popular type of jewellery? What was it made of?
- What colour was the clothing? What was it made of?
- Write down 3 other facts you know about clothing in Ancient Greece.

You *could* answer the questions in notes or sentences, or record a video. Maybe it could be a Greek catwalk! Or you *could* draw a man and woman in Ancient Greek clothing and write your information around your drawings. It's up to you!

Have a look at [DK find out](#) and the [Ducksters](#) websites to get you started.

Fancy an extra challenge? Try this [Ancient Greece word search](#) online.

Weekly Challenge – RE (Mrs Swift)

Jesus told the story of the Good Samaritan.

[Youtube video of The Good Samaritan](#)

Your challenge this week is to tell me ways you and your family can be good friends and neighbours to those around you. Or you could tell me about good things your friends and neighbours have done for you.

You could send your answers as video clips, pictures or you could write them down. I look forward to hearing from you.

Further Support

Remember to keep using Class Dojo for more details and explanations from teachers, as well as ways of keeping in touch with all members of staff. **We want to see anything that you have done at home, so send videos, photos, drawings or messages to let us know!** The School Story that parents can access will also continue to contain extra ideas that you may wish to try – get them to have a good look.

@mossideprimary on Twitter will continue to send out a variety of links to other useful resources and ways to spend time during the closure.
