

Remote Learning Work- Isolating Pupils	
Year 5	
Maths Tasks	English Tasks
Follow the Year 5 maths lessons from Hamilton Trust for week 4. If you have already completed these move onto the following week.	Follow the Year 5 English lessons from Hamilton Trust for week 4. If you have already completed these move onto the following week.

Maths Consolidation Activities-	English Consolidation Activities-
<ol style="list-style-type: none">1. Play Hit the Button and use TT Rockstars to refresh your times tables knowledge.2. Play Guardians of Mathematica to keep all your maths skills ticking over.3. Challenge yourself with one of the maths activities on- https://nrich.maths.org/94134. Have a go at some of these games to practise telling the time. Game 1, Game 2, Game 3. Can you tell the time at home for your adult? Can you use an analogue and digital clock? The best thing for telling the time is to keep practising!	<ol style="list-style-type: none">1. Read your school reading book every day.2. If you have an account, complete a reading lesson from Reading Plus every day. (Aim to complete 5 reading lessons and 1 vocabulary lesson each week.)3. Use Nessy every day for 20-30 minutes, if you have an account.4. Practise your handwriting by copying out a paragraph from your reading book. Remember, capital letters, full stops and joins.

Foundation Subject Project: Subject Focus- History
Use the lessons in Oak National Academy – Ancient Greece, History to complete a project during the afternoons of your isolation period. Work through the lessons completing one each afternoon.
