### Topic Work

#### Science

Our topic this term is 'Light and Dark'.

Explore these links to find out what you can:

[Light & dark - Oak National Academy \(thenational.academy\)](#)

In Geography, we are learning about the UK. You could learn capital and major cities, hills, mountains, major rivers and seas. Our particular focus is London including the Royal family past and present so perhaps you could learn about some Kings and Queens.

Please post your work on your Dojo portfolio for me to see how you are getting on. I look forward to seeing you back in class!
