Friday 8th October 2021

Dear Moss Side Community,

We have had a week of rugby, singing and lots of hard work this week!

## Parent's Evening

Please complete the [Form](#) for parents' evening appointments on either Wednesday 20th October or Thursday 21st October. We would strongly urge all families to attend, although please note that only one appointment is available per child. We would always encourage your child to attend with you but, if alternative arrangements can be made, pre-school siblings should not attend.

## Parent Governor Election

A reminder that the ballot papers are available from school for any potential parent governors.

## Harvest Assemblies

Following the overwhelming requests to watch, the **Infant** harvest will now be **Thursday 14th October** and **Friday 15th October** at 9:15 in order to dilute numbers across the two. Only those **parents who completed the original form** can now choose between either performance (remember that there is still a maximum of two adults per child in total across either performance, rather than two at each). The new [Form](#) must be completed by **Tuesday at 8am**. If there are spaces available once this has been done, we will inform all other parents.

Parents are requested to wear masks in this instance (although it does remain a matter of personal choice); although well ventilated, there will be no distancing between the audience and this seems a sensible suggestion, just as most theatres are currently suggesting. We are also seeking to leave a gap between pupils and the main audience.

**Junior** harvest is now scheduled for **Thursday 21st October** and **Friday 22nd October** at 9.15. The [Form](#) for requests is now open and, again, if numbers are high we will look to schedule a second option.

## Harvest Appeal

As always, we like to support a current theme for our appeal. This year we are hoping to collect items for the Tippy Toes

Baby Bank who will use these items to support a range of families. This idea came from seeing the news reports about refugees from Afghanistan who, although not exclusively, will hopefully be some of the families to gain from our collection.

From next Wednesday we would like donations of toiletries and hygiene products, (including larger sized nappies), to support babies, children and their wider families.

## Rugby Festival

Several of our classes took part in a rugby festival today with coaching from South Ribble Sports Development. Next week, the school tag rugby team will take part in a local tournament. We are delighted that this is finally happening as Miss Clarkson had planned for us to make our debut in the tournament in June 2020, so we are only sixteen months late!
