Friday 28th January 2022

Dear Moss Side Community,

It has been another busy week in school! As of today we no longer have any classes having to bubble - thankfully! We hope that all families who are currently still affected, are staying safe and well.

Parents' Evenings

A reminder that this has been delayed until Wednesday 23rd and Thursday 24th February. Appointment details will be sent out next Friday.

Sad News

Unfortunately Mrs Burdin shared some sad news with the school community earlier in the week. 'For those of you who have a long association with Moss Side, I am sad to inform you that Mr Seagraves, who was our deputy head from 1989 through the early 1990s, died last week. After working at Moss Side, he moved on to a headship in Fulwood, where he remained until his retirement.'

Runshaw Courses

Adult courses in basic maths, English and ICT are due to start in February. To find out more visit www.runshaw.ac.uk.

Trim Trail

A reminder to all parents that the trim trails should not be used by children at the beginning or end of the school day. This also applies to the tyre area in the Juniors, should the gates be open.

Rugby

Leyland Warriors are about to start "The Braves" which is for 4-6 year olds on a Saturday morning and it is FREE to attend. It would be fantastic to have some children from Moss Side join in at Moss Side playing fields.

More information can be gained from the following Facebook page: <https://www.facebook.com/groups/1789970951186527/?ref=share>

Money Study

Loughborough University is currently conducting a study into young people's understanding of money. You will have received the survey letter via Parent Pay and/or Class Dojo (last week) with a link to sign up and further information. Participants have the chance to win gift vouchers.

Teach Your Monster Number Skills

You will be aware that we have encouraged pupils to use the app 'Teach Your Monster To Read' and there is now another brilliant app that supports maths in the same way... *The adventure continues! Our maths game has arrived and is COMPLETELY FREE across all devices for a limited time only.*

Designed for children aged 4-6+, Teach Your Monster Number Skills will support your kids in making sense of maths within an exciting, colourful game. Created in collaboration with educational experts to align with the Reception curriculum, Number Skills follows the unique principles of Singapore maths, helping kids learn effortlessly, whilst covering all the essential areas.

Christmas Fundraising

Thank you to those who made donations following the Christmas productions. We raised a total of £116, to be split between the local Community Network and Outreach Service and school funds.

Football Club

Football club starts this week on Thursday from 3.15-4.15 for years 5 and 6. If your child is interested, please message Miss Clarkson directly via Dojo. Please provide: the child's name, year group and confirmation as to whether they will be collected or they're walking home. They will need to ensure on the day they bring football boots (not trainers) and shinpads.

Stars of the Week	
Rec	Sophie Dennick for super writing and for always having good answers to class questions.
Rec/ Y1	Alice Jennings for working really hard this week and having a good attitude to learning!
Y1/2	Emily Earlam for great mathematical explanations this week.
Y2	Ameila Wood for some fantastic numeracy work lately.
Y3	Elliot Bibby for a great Stone Age character description full of adjectives!
Y4	Zack Wilson for putting his hand up and answering questions about fractions this week.
Y5	Seth Bates for his hard work and super listening this week in Maths and Literacy!
Y6	Masiey Bibby for superb work with fractions.
House	Blue
Silver Leaf	Andile Maphiwa-Ndlovu - Respect for Others - for helping calm down a younger child in KS1 when he was really upset.

Key events next week

Monday Multi-skills Club Y1+2

Tuesday Dodgeball Club (AM) Y3+4

Wednesday Judo (AM) Y2-6

Thursday Football Y5+6

Friday Dance Club Y3+4

Happy Friday!

Mr Wright
