Friday 1st April 2022

Dear Moss Side Community,

Another term has come to an end! After starting off wondering if we would complete every week, it is lovely to reflect on another 'full' term. In fact, this is the first Spring Term that has been completed properly since 2019! Pupils and staff have worked hard, with some memorable class assemblies as particular highlights.

I hope all of our families enjoy the Easter holidays, whatever their plans.

## 40th Anniversary of School

When we return after Easter, Moss Side will celebrate the magnificent milestone of our 40th birthday. On Tuesday 19th April we will have a celebratory assembly for pupils and staff but are looking to commemorate further during our special week in July.

More details will follow.

## Class Assembly

Miss Thomas' class assembly is Friday 22nd April at 9.10.

## Online Safety

The online world has become a part of everyday life. It is constantly changing and is consistently a challenge for parents to keep up with in order to support their children. While the internet, apps and online gaming have lots of benefits, it is also important that we support young people to use these safely.

To support our families, parents are invited to an online safety workshop Monday 25th April at 3.30pm or 5.30pm.

## Choir Performance

The school choir have been practising hard and, by the end of the day today, will have performed their end of year concert. They continue to brighten the spirits of all with their incredible singing at the end of every week.

## Year 6 Homework

We were delighted that fourteen pupils enjoyed a treat of laser tag and a McDonald's lunch this week as a reward for completing their homework (in full and on time) for the entire

term. This is a significant feat but an important learning exercise ahead of their move to high school next year.

A huge thank you to McDonald's at Capitol Centre who were incredibly accommodating. It was also extremely pleasing that the respectful and calm way our pupils behaved was commented on by the staff.

## KS1 Multi Skills

Well done to those pupils who represented school admirably in the tournament on Tuesday.

## Clubs

Clubs available the first week back are detailed at the end of the letter. Coding has now finished.

## Dinner Changes

A reminder that any dinner changes should have been communicated to Mrs Cranmer this week, unless you are waiting for the new menu availability the second week back. The deadline for notifying these changes is Wednesday April 20th.

## EYFS 2022

Next year's new intake will receive confirmation of their places from Lancashire County Council on Tuesday 19th April.

## End of Term

We close today before returning Tuesday 19th April.

Stars of the Week	
Rec	Archie Adamson for working very hard on his letter formation. What a star!
Rec/ Y1	Alby-Tosh Wilson for always smiling and trying his best!
Y1/2	Charlotte Bradshaw for fantastic writing about how to look after a pet dragon.
Y2	Oakley Mannion for using some fantastic adjectives in his story writing.
Y3	Oliver Kilshaw for always working hard in every lesson.
Y4	Charlotte Tierney for perseverance and determination to solve written division problems .
Y5	Harriett-Rose Kershaw for her lovely sewing work this week and always brightening the day with her infectious smile!
Y6	Sophie Morris for superb effort during this week's tests!
House	Blue
Silver Leaf	Lucas Walker-Bamber - Respect for Others- for remaining very calm and alerting teachers immediately, when a friend needed first aid on the playground.

### Key events next week

**Monday** B/H

**Tuesday** Badminton Club (AM), Fit 4 Life Club

**Wednesday** Art Club

**Thursday** Football Club, Tennis Club

**Friday** Y5 class assembly

Happy Friday!

Mr Wright
