Friday 17th June 2022

Dear Moss Side Community,

A really busy but enjoyable five days in school this week!

## Dance from the Heart

The whole school performed the dance on Tuesday afternoon and really impressed with their moves and flair! Unfortunately the South Ribble team were unable to attend but in Moss Side tradition the show still went on. Mrs Coulson even made me join in (and I loved it)!

A huge thank you to Miss Thomas who has spent hours teaching the dance across school with her fantastic class - the effort was all worthwhile.

We will set a performance date for parents later in the term.

## EYFS 2022

Our taster sessions started this week and we were delighted to see so many smiling faces come into school for the first time. The children played in the EYFS class, sang some songs and played games, giving them a great opportunity to get acquainted with school and their key staff.

These sessions are crucial for pupils and, while difficult to organise, it is important that all new starters attend all sessions wherever possible. Our in-school transition has been well honed over many years by experienced staff to make it right for our children, in order to give them the best possible start to school life and (hopefully) a successful school career. If you are finding any challenges, please do not hesitate to contact school to see if we can help.

The next session is on **Monday**, with surnames A-K (1.15-2.15) and L-Z (2.30-3.30).

## Suncream

A reminder again that it is worth all pupils applying a layer of suncream before school in the morning.

## Borwick

Thank you to those parents who supported the meeting this week. Remember that bags need to be packed for next Friday!

## Second Hand Uniform Sale

This will be taking place on Monday 27th June, after school in the Hall from 3.15-4.00pm.

## Dinner Changes

We will shortly be sending out an online form for all Year 2 children moving up into KS2 from September. Unless they are entitled to benefits related free school meals, they will begin being charged for school dinners. We are just awaiting details of pricing before we ask for your dinner arrangement confirmation.

For all other year groups we would ask that if you want to make any changes to their current dinner arrangement for September onwards, you email Mrs Cranmer by Friday July 15th latest, at:

 <b>Stars of the Week</b> 	
Rec	To all of my children and parents who have been amazing at learning all the parts of our class assembly. Thank you.
Rec/ Y1	Julianna Guise for trying really hard this week and focusing on her work.
Y1/2	Logan Corkin for fantastic work in our maths assessment.
Y2	Alyssa Langstreth for some super numeracy work this week.
Y3	Jacob Holt for using the synonym word wall to choose interesting adjectives for his own writing.
Y4	Lucas Meehan for his efforts in swimming this week.
Y5	Amelia Hamilton for being a kind-hearted and friendly member of the class.
Y6	Drew Walmsley for learning all her lines for the Leavers' Production!
House	Red

### **Key events next week**
