Dear Moss Side Community,

It is always a bitter-sweet moment at this time of year, as we finish 2021/22 and reflect on all we have achieved as a school. It has been a pleasure to see school return to the environment we want it to be - busy, happy and vibrant - no matter how tired this has left us all! The year has brought much progress from our pupils and great success, whether that be academic, sporting, artistic or simply (but most importantly) growing to be better human beings, more tolerant, caring and compassionate. We look forward to another bright school year next year but are also sad to be saying goodbye to another group of children who have done Moss Side proud.

## Year 6

It is always right that our leaving cohort take centre stage on their final day of primary school life. We are always proud of our pupils and this year group is no exception. They have been through the most turbulent years that education has known in this country since World War II, but have still been expected to continue as normal! Working alongside the dedicated staff team and so many incredibly supportive parents, their resilience has grown and they are ready for high school. We have loved having them at school and hope that they remember that they will always be a 'Moss Sider'. As a Year 6 class, they have thrown themselves into productions, organised school through their jobs and captain roles, represented school at Borwick and done phenomenally well in SATs (considering all the challenges that they have faced). We wish them luck in their next phase of education but hope that they know the door is always open here and we love to hear how our ex-pupils are doing.

## Awards

This morning, we handed out this year's awards. It was a tough decision as there are so many worthy winners in this class.

## Mrs Swift

Today also marks the retirement of Mrs Swift, who is our current longest-standing member of staff. I know from the outpouring of well wishes that she will be missed by everyone. Mrs Swift has dedicated her entire teaching career to the pupils at Moss Side, nurturing and guiding so many members of our community. She has told me consistently that she 'did not want a fuss' but I know that many of you feel she deserves one!

Mrs Swift has always put the children of this community at the centre of everything she does. School will certainly feel differently without her but we all wish her well in her hard-earned retirement.

## A Message from Mrs Swift

*I would just like to take this opportunity to say it has been an honour and a privilege to be part of Moss Side School. I have been very lucky to have taught so many amazing children and to have worked alongside such outstanding colleagues. I have always looked on Moss Side School as my extended family and I want to thank you all for the joy, support and wonderful memories you have given me and I*

send my love and thanks to you all. I wish Moss Side School and you all every happiness and success in the future.

Love and best wishes

Mrs. Swift

### Timings

Ahead of the new school year, a reminder of timings for the school day:

### Meet the Teacher

At the start of the new year, we invite parents of pupils in Year 1-6 to meet with their child's new teacher. These are really important meetings, not only marking the start of a new relationship but also giving the chance to hear about key organisational and curriculum themes for the year. Parents may also have questions that they wish to ask of staff. We would urge every family to be represented (even if parents are unavailable) as this information is so important.

Meetings are straight after school for approximately 20-30 minutes.

Thursday 8th Sep - Y1/2 and Y6

### Governor Change

Earlier in the term the Governing Body accepted the resignation of Mrs J Owens-Crook as a co-opted governor. Mrs Owens-Crook has dedicated much time and effort towards the development of school and, while understanding of her reasons, we're sad to see her go. We would like to thank her for all of her dedication over many years.

Mrs Topping will join our EYFS department as a teaching assistant on a full time basis, while Miss Brown will be our Rec teacher on a Wednesday. Mrs Evans will still be working five days a week, but this will allow her to have some dedicated time in the week to focus on her role as our SENDCo. Miss Whittle will continue to have a similar role in Year 6 to allow Mrs Torbett to focus on her leadership duties on a Friday.
