Friday 10th March 2023

Dear Moss Side Community,

A week which has ended with a fantastic class assembly (I got a sneak peak this week and it was brilliant) on top of a significant amount of snow! We hope all of our families have a safe and enjoyable weekend.

## Y3 Parents' Evenings

Parents' evenings will be Wednesday 29th and Thursday 30th March 2023. The link to the Form is now open for parents to book appointments. Please see below. Thank you for your patience in waiting and understanding about the unfortunate change of dates.

## Young Voices Charity Single

The PROUD Charity Single is OUT NOW! Visit <https://www.youngvoices.co.uk/proud-charity-single> for more details.

## Red Nose Day

Next week, as part of Red Nose Day, our Sports Captains have requested that pupils wear something red on Friday 17th (this could be totally your own clothes or an 'addition' to school uniform). At lunchtime, our captains are planning to run several 'active' events.

Donations to Comic Relief are welcomed - cash as usual please, to be collected in class on Friday morning.

## Strikes

The next dates are set for 15th and 16th March next week. Again, any information about class closures etc will be communicated as soon as possible. It is completely understandable that this creates uncertainty but I would, again, encourage all families to have a plan B in place as we cannot be certain until the morning itself.

Updates will be communicated via Class Dojo as we have done previously.

## Swimming

If you are looking for potential swimming lessons for your child, a new swimming pool is about to open in Tarleton.

Visit <https://www.facebook.com/>

## Website

A reminder that our website contains a variety of information about the school curriculum. It also has a copy of this newsletter, should you need to read previous issues.

## Silver Leaves

You will see quite a lot of silver leaves on the newsletter again this week. These are nominations from any members of our school community for those who have done something which is an example of following the Moss Side Way (Respect for others, respect for learning, respect for school and environment, respect for ourselves).

We then hang these leaves on our special tree in the entrance, which was created when Mrs Burdin retired. These are the values that we aim to live by as a community and hope that our pupils take with them when they leave.

Stars of the Week	
	
Rec	Bailey for always being ready to learn and fantastic writing of CVC words.
Rec/ Y1	Alice for her brilliant knowledge and enthusiasm about fruit and vegetables in our DT lesson.
Y1/2	Wyatt for super quick maths work this week.
