Dear Moss Side Community,

What a fabulous week to be a Moss Sider! Today draws to an end a very long and tiring term but we have achieved so much as a community! My personal highlight this week was yesterday, when I went on a fantastic trip to Windmill Farm with R/Y1 (who behaved brilliantly) and then watched with pride as our Year 6 captains ran a fantastic bingo event; they showed the confidence, organisation and enthusiasm that make true Moss Siders.

Easter Bingo

Thank you so much to all of those who supported our Easter Bingo, whether through their attendance or the donation of eggs. The Year captains raised a whopping £423.14 for school funds, which will be put towards subsidising any trips throughout the remainder of the year. Well done everyone!

I really appreciate the staff team for their support in the event and, of course, the fantastic captains!

A message from Olly:

Thank you to the people who came last night. We raised a massive £423.14. We really appreciated the Easter egg donations as we got to fit in a lot of games. Thank you to Lenny, Emily and Harry our amazing bingo callers.

The tuck shop was really successfully run by Jacob, Harriet, Kaci and Riley M. Also our great rafflers, Alesha and myself, had loads of fun going around the very busy hall selling raffle tickets. I'm also saying a big thank you to the teachers who have given up their time to make this happen. All of our money from last night will go towards school and more fun days like that. One more big thank you is for the house captains and sports captains for helping to come up with this idea. Hopefully this can continue each year.
