Friday 9th June 2023

Dear Moss Side Community,

It was lovely to welcome our school community back after the half term break. On Tuesday, Junior pupils were visited by PC Ashley for an assembly on 'Hate Crime'. This was an important aspect of our ongoing work around diversity, inclusion and creating a society where prejudice and discrimination does not exist. We hope that our pupils will continue to take on board these messages and take the Moss Side way out into the wider community.

New EYFS

We are really excited to welcome our new EYFS cohort for September 2023 into school over the next half term. Monday 12th June will be the first of four taster sessions, split into two groups:

Group # 1 (Surnames A-J) 1:15-2:15pm

Group # 2 (Surnames K-Z) 2:30-3:30pm

Church Fair

St James' Church will be holding a summer fair on Saturday 8th July 1-4pm.

Phonic Screening

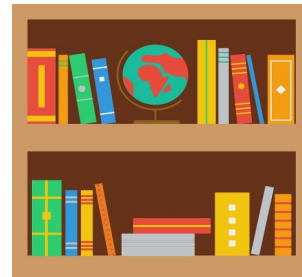

Next week, Year 1 pupils will take part in the national phonic screening. The results will be shared on our end-of-year reports.

Library Books

A big thank you to those who have already got involved with our fundraising for the new library. We are encouraging families to sponsor a book by donating to school funds. It doesn't matter how much you contribute but every donation will go towards buying a wide range of non-fiction and picture books for our library. In return, all of our donors will have a special sticker placed inside the book that they have contributed towards as a mark of our gratitude for your support.

In order to do this, your child has been sent home with a form earlier this week which can be completed should you wish to sponsor the purchase of a book (or books). Contributions (of

any value) can be sent into school in cash or via ParentPay.

Dates ahead

Year 3 assembly - Friday 23rd June at 9:15

Year 4 brass concert - Tuesday 11th July at 9:15

Borwick Meeting

Year 6 parents are reminded of the meeting ahead of the Borwick residential, Wednesday at 6pm. This is not only important for your information, even if you have had previous siblings attend, but also forms a mandatory part of our risk assessment. This means that no pupil can attend the trip without this information being shared. We would ask that pupils **do not** attend the meeting as there are some elements of the discussion that are solely for parents.
