

Dear Moss Side Community,

Another busy week! We have continued our career talks this half term and are extremely grateful to those people who have shared careers as prison officers, cruise ship workers, members of the building trade and our local police team. PC Tony also came to discuss the issue of racism with our Year 6 class, while our tag rugby team have the second week of their league fixtures tonight.

Next week's Moss Side Way in Action target: Presenting work to the best of our ability

Parking and Traffic Safety

Please can I communicate our regular request for parents to park respectfully and safely. Please be considerate of local neighbours by not blocking driveways or access routes.

No cars should park on the yellow zig-zag lines (or opposite these) in order to provide a safe crossing for all of our families.

Children in Need

Next Friday, we will be having a fundraising celebration of the amazing work of Children in Need by having an own clothes day as well as a special dance festival.

Each class will take part in the special dance day and every pupil can wear their own clothes, in return for a donation. As always, we encourage pupils to bring in physical money to donate as the act of giving (literally) reinforces the value that we are trying to teach.

Clothing Donations

Our second hand uniform is overflowing at present so we would appreciate families keeping any potential donations in most cases. However, we do have a need for:

- PE kits of all sizes
- Swimming kits (towels and costumes) to fit Year 4 or Year 5 pupils
- Junior sized school cardigans

Clubs

Please note that there is no tag rugby club next week due to the dodgeball tournament.
