

Dear Moss Side Community,

The week started with a power cut and ended with a powerful dance festival! Thank you to all those who donated to Children in Need today - it is such a worthy cause and our own clothes day was a great reason for me to not iron a shirt!

### Next week's Moss Side Way in Action target: Noticing kind acts of others

#### Fundraising and Raffle

Last Friday parents should have received an email about our fundraising efforts. If you think that you can support our efforts, we would be grateful for anyone who can take our letter of explanation to local businesses.

We would also like to run a Christmas raffle should we generate enough prizes. If you feel that you would be able to donate to this, there will be further details in due course.

The Tesco community fundraising for the school library remains live so please donate your blue tokens!

#### Children in Need

Today we had a fundraising celebration of the amazing work of Children in Need by having our own clothes day as well as a special dance festival.

Each class took part in a very enjoyable dance workshop and we raised £295.24. Thank you for your support.

We also had a fantastic visit from Pudsey's brother in Year 6.

#### Pantosaurus

This week, Infant pupils took part in our annual Pantosaurus assembly, with Juniors due to repeat this next week. The focus is about 'private parts' with the pupils reminded that 'what's in your pants, belongs only to you'.

This work has been developed by NSPCC and the song is extremely catchy <https://www.youtube.com/watch?v=-lL07JOGU5o>

If you get time, view the video and discuss the themes with your child.

## Sports Teams

Our dodgeball team represented school on Tuesday with great distinction, finishing 4th. The tag rugby team play the final round of fixtures tonight (we wish them luck).

A big thank you to all those staff involved in running both the clubs for preparation and taking the teams to these events.
