

Dear Moss Side Community,

We had a brilliant time in the snow this week; snow does not arrive in this country often enough for it not to be a memorable experience and a lifelong memory so we took the chance to adapt the school day and focus on some personal development.

A special mention to our excellent snowman builders in both departments but my particular highlight was the excellent snowball fight in Juniors. There were some excellent throws, especially from Year 6, but nobody was quite as good as good as Mrs Hopkins (who has many hidden talents).

Parent Survey

Many thanks for the responses. There is some really useful feedback, about both our strengths and areas we could develop further. We will provide further information about our plans and the information we found from it soon.

Parents Eve Dates

Early notice for this term's important opportunity to catch up on your child's progress and wellbeing.

Monday 26th and Tuesday 27th February - Year 6

Monday 25th and Tuesday 26th March - All other classes

As usual, these will run after school until early evening. Appointment slots will be available nearer the time.

Clubs

A reminder that clubs restarted this week. For safeguarding reasons, if your child cannot attend a club school must be informed by a parent. All Junior pupils leave class and take themselves to their club independently so it might be worth reminding them in the morning if they have a club that day.

Year 6 Meeting

A reminder to all parents about the very important meeting to be held 31st January 6pm-6.45pm.

Police Pals

Next week, twelve Year 6 pupils will begin a new project with the local police team. They will consider some of the things

that make a good community police team and (hopefully lend their support).

Year 6 needed to apply for this new project and the PCs involved in selection were extremely impressed with the standard of all the forms.

Snow Fun!

Cold Weather

Although warming slightly, it will remain chilly next week so please ensure that all pupils have coats, hats and gloves, alongside suitable shoes. All items should be named.

Lottery

Our school lottery starts in 8 DAYS. If you are yet to buy tickets, please sign up and buy for a chance to win.
