- The school football team completed their league last night. They finished 4th overall from the Leyland schools - a highly respectable position in a competitive competition. Congratulations to St Anne's and Leyland Methodist for qualifying for the South Ribble finals.
- Mrs Gifford will retire at the end of the half term, after decades of dedicated service to our school. We wish her well and thank her for her incredible commitment to our school.
- Parents' Evening appointments will be confirmed on Wednesday next week - please look out for the slip in your child's bag.
- Cars must not park on the yellow zig-zag lines outside school, nor opposite them. Both pedestrian pavement 'drops' at the front of school are being dangerously blocked regularly at present.
