

Key Facts

- There are associated risks with legal and illegal harmful substances
- If you need to seek help or advice, it is important that you ask for it and keep trying until you are heard
- Families are important for children growing up because they can give love, security and stability
- It is important to recognise and report feelings of being unsafe

I will learn the following new words/phrases:

Potential	<i>A chance that something will happen in the future.</i>
Sibling	<i>A brother or sister.</i>
Community	<i>A group of people living in the same place or sharing a common interest.</i>
Hazard	<i>A danger or risk.</i>
Danger	<i>Likely to cause harm or injury. Something that is not safe.</i>

By the end of these topics, I should:

- know what items are safe to play with and what items are unsafe to play with
- be able to name potential dangers in different environments
- know what food and drink items are safe or unsafe to eat or drink
- be able to name dangers that can affect others, for example younger siblings

Ask me a question!

- How do our special adults keep us safe?
- What kind of objects or items do adults keep us safe from?
- What could you do if you spot a potential danger or hazard at home, at school, or in the community?
