- Decorations Day will take place next week - each key stage will watch a film in the hall while staff decorate the school in preparation for Christmas.
- Another busy sporting week, as our Year 2 team competed brilliantly in the multi-skills event this week. They represented school superbly and were a credit to our whole community.
- Christmas production tickets will be sent home on Monday. Staff have worked hard to meet as many requests as possible but some later entries will, unfortunately, not receive their full request. Please note that everyone attending **must have a ticket**, due to fire restrictions (the only exception to this is pre-school pupils who may sit on an adult's knee). Siblings at school will have seen the performance already so **please do not bring** them to performances. There will also be extremely limited (if any at all) standing space so audience members **should sit in a chair** (again, due to fire regulations).
