

Weekly Bulletin 28.02.25

STAR OF THE WEEK	
Rec	Sonny for working so hard with his phonics and writing. Super blending in your reading, Sonny!
Rec/Y1	Frankie for super writing all about our trip!
Y1/2	Thomas for great writing this week.
Y2	Florence for concentrating & working hard in her new table space.
Y3	Oliver J for being a super star this week getting ready for our class assembly.
Y4	Tommy L for making great progress with his swimming.
Y5	Robbie for listening brilliantly in lessons and starting tasks straight away.
Y6	Ethan R for some excellent work on percentages this week.

- A reminder that, should pupils not be able to attend an after school club, parents must ring or send a letter into school so that staff are informed. Junior pupils are expected to go to the clubs independently at the end of the day and registers are taken, so this will support staff to do this important activity quickly.
- On Friday, we are taking part in the Biggest Girls' Football Session ever. Members of our team are taking part in a 5-a-side tournament at LFA headquarters and **all junior pupils (including boys)** are invited to wear their PE kit and take part in some lunchtime activities. Infant pupils will have the chance to take part during their Active Lunch session (and may wish to wear trainers on that day).
- A reminder that the Junior gate opens at 8:40 for an 8:45 start. Some pupils who walk to school independently are arriving particularly early and potentially going past school to head off in alternative directions. I would encourage parents of pupils who walk alone to confirm routes and timings with their children.

Have a lovely weekend, Mr Wright
