- Our athletics team were magnificent again on Tuesday, as they took part in the South Ribble Finals. To finish 4th, from all the schools in the area, is a significant achievement. A big thank you to Mrs Roscow for her expert coaching and Miss Taylor for her motivational support.
- At the time of publishing, our girls football team are setting off to play at the LFA - we wish them the best of luck!
- Junior pupils are busy signing up for our Red Nose Day Talent Show. Acts will be auditioned in the coming week so we hope that there is a lot of practising taking place to perfect their skills.
