- Our football teams worked hard and represented school well on the first outings of the year, unfortunately to little score line reward but we are certainly proud of the way they competed.
- We are eager to expand our team of reading volunteers. If you feel you could give a little time during the week (just 30 minutes makes a huge difference) please speak to Mr Wright or Karen to find out a little more about the safeguarding checks required, which are all arranged by school. At a time when the school budget is increasingly stretched, any support is greatly appreciated and makes a huge difference to our pupils.
- A polite reminder to be respectful of our neighbours when parking in the locality - we have received a number of communications about this over the last month.

Have a lovely weekend, Mr Wright
