- This year's harvest collection will follow on from the themes of our 'Community Week' back in Summer term. We are asking for donations of sealed packets of biscuits, tea bags and coffee which we will distribute in our local area to those who help serve the community (including the fire-service, doctors, police, care homes etc). Please feel free to nominate a worthy recipient who you feel would be grateful for a 'brew and a biscuit' on us!
- The House Captains have arranged a bake sale for Thursday 23rd October. There are further details available on Class Dojo and they would love your support! Funds raised will be used for school projects.
- Reminder of dates for the diary:
Tuesday 21st October @ 9:10am - Infant Harvest Assembly (parents/grandparents invited)
Thursday 23rd October @ 9:10am - Junior Harvest Assembly (parents/grandparents invited)
