

Weekly Bulletin 13.02.26

STAR OF THE WEEK

Rec	Emilia for always working hard, being neat and taking her time with all her work.
Rec/Y1	Charlie for being a very kind friend to his classmates.
Y1/2	Neve for working more independently in her maths work.
Y2	Andriel for being a superb classroom tidier! Keeping us all organised!
Y3	Harriet for always being a super role model and working hard in everything that we do – and always being super kind and tolerant too!
Y4	Kady-Mae for her fantastic attitude during STEM week. She has embraced the challenges and worked well within her team.
Y5	Bradley for standing out in maths this week.
Y6	Penny for writing a superb story and always being a great role model.
House	Yellow
Silver leaf	<p><u>Respect for Others</u></p> <p>Harper Y6—For showing real kindness to an upset classmate.</p> <p><u>Respect for Learning</u></p> <p>Emosi Y6—For standing out with his music playing during a recent Lancashire brass event.</p> <p>George Y4—For his wonderful attitude and respect for his own learning. He has made brilliant progress in swimming. His attitude to his learning in class is amazing every single day.</p> <p><u>Respect for School and Environment</u></p> <p>Matilda Y2– for being alert and a friendly member of our local community.</p> <p>To all of our Young Voices choir for an amazing performance and demonstrating the ‘Moss Side Way’ during our trip to Manchester!</p>

EVENINGS

Mon	INSET DAY
Tues	Tennis Club Y5&6
Wed	Ju Jitsu, Netball Club Y5&6, SR Target Sports Club
Thurs	Swimming Y4
Fri	Brass Y4

- Mrs Shaw retires today. She has been a long serving, dedicated member of our staff team who has supported the education of so many pupils over such a long time. We wish her well in her next steps - she will be sorely missed.
- Now that the daylight is lasting slightly longer, our after school clubs can restart. The link was shared via Dojo this week and closed today at midday. Collection for all clubs is via the main entrance to school.
- We are so proud of the brass performers who represented school on Wednesday at the local schools' event. They had a brilliant time, performed superbly and were great ambassadors.
- STEM Week finishes today with our own clothes 'Number Day'. It has been an opportunity to explore Science, Engineering, Technology and Maths. We have had some fabulous visitors - a particularly big thank you to those volunteers who supported the Junior maths event on Wednesday. Don't forget to keep practising the maths facts and getting some sponsorship ahead of our quizzes after half term.

Have a lovely weekend, Mr Wright
