- Easter bingo and the raffle raised £841. A big thank you to all those who supported this.
- Lancashire County Council shared a letter for parents across the area about the new OFSTED inspections (available via Dojo). As a school, we feel that it articulates well how parents may need to interpret the changes, as well as some of the wider pressures that exist within the education system. We will continue to work as hard as always to follow the school ethos and do the best we can for the children and families of our community.
- Attendance information was shared this week. Please review this carefully as school attendance is so important. Our current school attendance is 95.3% and we would sincerely wish to meet the national target 96% by the end of the school year.
- EYFS would like to welcome donations of artificial flowers, greenery and artificial plants.

Have a lovely Easter, Mr Wright
