- We have two new members of staff joining us after half term. We are delighted that Mrs Lawrenson will be joining as our new School Business Manager and Mrs Roxburgh as a HLTA. We are really confident that they will add a great amount to our staff team. Further to this, Mrs Berry is now a full member of our teaching staff and Mr Goulbourne (who many of you will know from his regular supply work in school) is joining us full time from September. I will share which teachers will be in each class towards the end of June/early July.
- We are very grateful to Mrs Fisher, who has done an incredible job maintaining our office operations since September. She will hand over after half term and we will then wish her luck in her next steps.
- Our tag rugby team did us proud, finishing 5th in South Ribble last night. Their passion, commitment and sportsmanship were evident throughout.
- A reminder that school closes today at 3:15pm until Wednesday 3rd June.

Have a lovely weekend, Mr Wright
