- Year 6 will, by this point, be well on their way to Borwick for this year's residential. We hope they have a brilliant time and thank you to the staff team for giving up their weekend to make this an enjoyable experience for pupils.
- Please be aware that there are a range of club changes next week - check the dates above for confirmation.
- Thank you for your support in combatting the extreme weather this week. Hopefully we can return to normal next week.
- Congratulations to Ellie McCarrick, our former pupil, who has been successful in her entry for the Kangaroo Maths Challenge. This is by invitation based on a qualifying score and we are really proud of her, as we are of all the successes of our ex-pupils! It is always lovely to hear from any former pupils when they share their progress and reflect on the opportunities that Moss Side offered them through the dedicated staff team we have here. It is lovely to be appreciated.

Have a lovely weekend, Mr Wright
