- SATs results were released yesterday. We are delighted with how well Year 6 worked to prepare for these (as we discussed at the time) and we are really proud of the overall results.
- You will have received an update last week about the current position with recruiting a new headteacher. There will hopefully be a further update about arrangements for the Autumn term shortly.
- Transition meetings have been planned for September as the usual opportunity to meet your child's new teacher and hear important updates. These will be shared next week (see Dojo) in the hope that someone can attend (even if this is a grandparent). Pupils met their new class staff yesterday and began to familiarise themselves with their classrooms.
- Well done to our kitchen team. In our recent kitchen audits, they were awarded the Standard of Excellence Award.
- A reminder that school closes 3:15/3:20pm on Wednesday 22nd July.

Happy Friday, Mr Wright
