Reading

We want all our children to become confident and engaged readers, and this works best when school and families work together. KEY COMMUNICATIONS THIS WEEK:

EYFS children - Our newest members of our school family will be staying for full days from Monday. It's been wonderful to see how well they are settling into school!

Infant Snacks

As you may know, our infant children are provided with free fruit and vegetable snacks in school. However, we know that not every child is happy to eat a wide range of fruits and vegetables. If you feel that your child would benefit from bringing their own fruit or vegetable snack into school, please contact your child's class teacher to arrange this. Snacks must be **fruit or vegetables only**, with nothing added.

Morning Start

Now that our Year 3 children are becoming familiar with the routines of the morning, we will be returning to the normal KS2 morning routine. From Monday, all KS2 children should be dropped off at the green gates and they will walk round to class themselves. A member of staff will be on duty. The green gates will open at 8.40am and close at 8.50am.

The expectation is that all children will be in school and ready to line up by 8.45am, ready to start their day. Thank you, as always, for your support and cooperation to make the start of the school day as smooth and positive as possible.

Have a great weekend!
